Elected Board Members

Thank you to all Forest Brook neighbors who voted for our new board members. The ballots were tallied and the winners were decided based on the results.

Steve Kros and Mindy Cozart were both elected, and we welcome them both to their 2 year term on the board.

At our first board meeting, we assigned roles as listed above, and discussed some of the changes and improvements we will focus on in 2019/2020. These will include more neighbor communications, more social activities, and agreed upon investments in the community.

Your input will be invaluable, so please feel free to reach out to any of our board members via the neighborhood website at www.forestbrookhoa.org

You can also find minutes from the meeting posted there.

Know of a New Neighbor?

Do you remember when you first moved to Forest Brook? Were you excited to meet your neighbors? Did you have kids that were nervous about whether the neighborhood would be welcoming?

We'd like to help every new neighbor feel welcomed and excited about picking Forest Brook as their home. If you know of a new

neighbor that has moved in, please reach out to a board member through Facebook or our webpage to alert us. We will get together a Welcome Packet and bring it to them.

We Need Your Input!

We are always looking for neighbor input to know where to focus the board's attention and energy. The problem is, we don't know the best means to collect this feedback. Soon, we will be posting a survey through our Facebook page to gauge how our neighbors would most like to receive communications, as well as thoughts on where we should invest time and resources into the neighborhood. We will send the survey via email as well, so keep your eyes on your inbox.

Pool and Tennis Reminders

We want all our neighbors to be able to enjoy our facilities to their fullest. In order to do this, however, we must all obey the rules. Please ensure you and your family read the posted rules, and let's all help protect our common area from misuse. A few rules in particular that need reminding:

- No pets inside the fenced pool area
- You must be at least 12 years of age to swim without a guardian when a

- lifeguard IS on duty
- You must be at least 16 years of age to swim without a guardian when a lifeguard IS NOT on duty.
- Without a lifeguard on duty, swimming solo is prohibited at all ages. There must be at least 2 people at the pool if no lifeguard
- Clean up after yourself
- Protect our equipment (chairs, umbrellas, no bikes/scooters on the tennis courts)

Help Keep Forest Brook Safe!

Lastly, please continue to keep safety first during the summer months when kids are out of school. Please drive the speed limit, be on the lookout, and practice good firework safety during the July 4th holiday!
