Fall is in the Air

Hope everyone had a great summer! Our pool got lots of use this year and was enjoyed by many. We all know how hot it still is, so we will keep the pool open until the end of the month, with an official close date of Monday 10/1. In order to maximize the remaining time, any repairs that have been identified and/or recommended, will be addressed and fixed before the opening of the season next year.

Enjoy the last couple of weeks safely, and please remember to keep the area clean and tidy so all neighbors can enjoy it!

Forest Park Landscaping Committee

Do you enjoy working in your garden? Do you take pride in the look of your yard? Do you have a positive DIY attitude? If you answered YES to any or all of those questions, you would make a perfect member addition to our Forest Brook Landscaping Committee.

If interested, please email Steve Kros at www.forestbrookhoa.org. The committee will work together on landscaping projects, help generate ideas for future projects, and organize efforts to improve the visual appeal of our neighborhood landscaping. First committee meetings are tentatively planned for the beginning of October, so don't delay in emailing Steve if interested. If we work together, we can enhance the look of our neighborhood and save cost at the same time!

Halloween!

Hard to believe, but Halloween festivities are right around the corner. This year, we will plan another

neighborhood Halloween get together at the pool/playground area. Connect with your neighbors and enjoy some festive fall fun before Trick'r'Treating through the neighborhood! Kids and adults are all welcome! We'll have music, adult beverages, a Chili Cook-off, Costume Contests for both adults and kids, and more.

If you know any DJ's or musicians, please reach out to Benson Turner at www.forestbrookhoa.org to make a recommendation.

Festivities to start at 5:00 PM, with Trick'r'Treating through the neighborhood to follow.

Get Out and Play

Interested in improving your swing? Rod the tennis coach is here to help! He has worked with Forest Brook residents for years and provides lessons for both novice and pros alike. Reach out to him at rodslack@mindspring.com.

On the Road

Speaking of getting out and playing, please help keep our neighborhood safe for active kids, adults, and our four-legged friends by obeying the posted speed limit. No one likes speed humps/bumps! What a pain! Let's not even think about the idea, and ensure we keep our neighbors safe by NOT SPEEDING.

Looking ahead...

We're looking for interested households to host our 2018 neighborhood Holiday Party! If you love to host, get into the spirit of the season, and would like to show off your digs, contact us at www.forestbrookhoa.org.
